

Our Daily Enemies

Exodus 17:8-16

February 15, 2023

God's first lessons for the Israelites in the wilderness was how to address the enemies within, but now we turn to their first enemy outside of themselves...the Amalekites.

Amalekites

- They were in the lineage of Esau. Amalek was Esau's grandson
- Esau rejected God's promise; therefore, so did his lineage.
- God promises to curse those who curse Israel (Genesis 12:1-3)
- Amalek is a representative of Satan's offspring (Genesis 3:15)
- Constant foe for Israel
