

Infant Schedule

Date:

Name:

Birth Date:

Diapers will be checked once per hour

Child uses:

- Pacifier
- Gas Drops
- Diaper Cream
- Oragel
- Baby Oil

** Items such as diaper rash ointments, teething gels, and gas drops are considered medications. A Medical Authorization Form will have to be signed weekly in order to administer these medicines.*

Usual Nap Times

Child Sleeps on

- Stomach*
- Back

** In accordance with recommendations from the American Academy of pediatrics, unless the infant has a note from a physician specifying otherwise, each infant younger than 12 months, shall be placed on his/her back for sleeping to lower the risks of Sudden Infant Death Syndrome (SIDS).*

Child uses:

- Blankets
- Stuffed Toys
- Other Soft Materials: _____

**In accordance with recommendations from the American Academy of Pediatrics, soft materials are prohibited in the infant's sleeping environment. Soft objects, such as pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, and other gas trapping objects shall be kept out of the infant's sleeping environment.*

*** I, _____ will not hold Camellia WEM responsible for any incident that may occur with my child from sleeping on their stomach or sleeping with blankets, toys, etc. (If the above categories are checked).
