PARENTS, WE NEED YOUR HELP!

**This year the Children in Action will be hosting a
Missions Celebration in *APRIL!***

Each child (or pair of siblings) has been randomly assigned one of the mission locations that we are studying this year. In the spring, your child will also receive a tri-fold board like this one.

So what do we need from you? Help your child collect information about their location and decorate their tri-fold board to display at the April Missions Celebration.

The whole church will be able to visit the tables and learn all about the missionaries that the children have studied this year. We encourage you and your child to be as creative as you like! Your child is welcome to dress up or even make a food item to go along with their display!

The Children's Choir will also be singing that night. We are excited about this opportunity to celebrate missions as a church family!

You will find some information to get you started by visiting cbcprattville.org/children and scrolling down to "Missions Celebration".

Information to make sure to include in your display:

Who is your missionary?

Where does he or she serve?

What is that place like?

What are the people like there, specifically the people group that your missionary serves?

How can we pray for your missionary and the people he/she serves?
