

# Meet the Special Worker February 2024

**Missions Area:** South Asia  
**Concept Area:** God's Creation  
**Writer:** Vivian Howell

Catherine Knowles is a special worker in South Asia where very few people love Jesus. She spends much of her time teaching women who are believers in Jesus. She helps them know more about Jesus so they can tell others about Jesus too.

Ms. Knowles enjoys spending time with local believers who work with her as she reaches other women. She often works with local pastors who welcome her to teach women from their churches how to follow Jesus and tell others about Him.

Where Ms. Knowles lives, it is always busy, crowded, and noisy. People are on the streets all day. Drivers honk their horns in the heavy traffic. People live close to each other and can hear other people cooking in their apartments. People fill the markets buying all sorts of things. As a new special worker, it can be overwhelming at first.

Ms. Knowles is thankful for the prayers of other believers as she learns how to live and serve in South Asia. Pray for Ms. Knowles on February 9 for her birthday!
